In the alternative, such positions may be filled by posting of vacancy as provided in this Article. If the position is filled by an employee seeking voluntary transfer, or if no employee applies for the position, no further notices need be posted.

ARTICLE VIII

SENIORITY

- A. Seniority shall be determined by the number of years of regular full-time employment, in a bargaining unit position under contract from the last date of hire, in Saydel Community School District. In the event such reduction cannot be accomplished by attrition, the Employer shall accomplish such reduction by the following criteria:

1. Least teaching experience in other school districts.
2. Certification endorsements and educational preparation:

Grades K-8: The primary consideration shall be endorsements and educational preparation relative to K-8 level which shall have priority and consideration over other endorsements and educational preparation.

3. Relative skill and ability as determined through the evaluation procedure.
4. Recent training in area of assignment.
5. Qualification for co-curricular programs determined by certification, training, experience and ability.

- B. Salary Reclassification.
1. Employees on the BA, BA+10, and BA+20 salary classifications desiring reclassification on the salary schedule shall accumulate the requisite number of graduate hours, in the area of education or in the area of their certification, from an accredited college or university. All courses taken to meet this provision shall be approved in advance by the Superintendent.
 2. Employees on the M.S./M.A. salary classification desiring reclassification on the salary schedule shall continue to take graduate level course work in order to have these hours credited for reclassification. All course work taken to meet this provision shall be approved in advance by the Superintendent.
 3. An employee must file written notification with the Superintendent by March 5 of the current school year in order to qualify for a salary reclassification for the following school year. The employee will remain on the current step until official verification of credits earned is provided to the Superintendent. Official verification (ie: transcripts or written notice from class instructor indicating successful completion of course credit) must be submitted by September 1. Failure to provide proper notice will result in the employee remaining on step until the following contract year.

ARTICLE XV
WAGES and SALARIES

- A. Schedule. The salary of each employee covered by the regular salary schedule is set forth in Schedule A which is attached hereto and made a part of this Agreement.

Each qualified employee shall have added to their regular salary (Schedule A) Phase monies (A-2) appropriated pursuant to House File 499 and Teacher Compensation monies (A-1) pursuant to Senate File 476 according to the agreed upon schedules included herein by reference. Payment of the above funds will cease subsequent to the programs' demise as mandated by the state.

- B. Placement on Salary Schedule.

1. New employees coming into the Saydel Community School District may be granted full credit for professional experience at the sole discretion of the board.
2. Any new employee hired prior to November 1st will be given credit for one (1) year's service toward the next increment step for the following year provided the employee's performance is satisfactory.
3. The Employer has the right to withhold increments of any employee where the employee's work is unsatisfactory.

- C. Advancement on the Salary Schedule. Increments. Employees on the regular salary schedule shall be granted one (1) increment or vertical step on the schedule for each year of service until the maximum step for their educational classification is reached. Advancement is subject to satisfactory performance of the employee and to the meeting of the requirements for professional growth and development.

- D. Pay Period. Each employee shall be paid in twelve (12) equal installments on the 20th day of each month. Employees shall receive their checks at their regular building and on regular school days with the following exceptions:

2. Summer checks will be mailed to the teacher's designated address.

- E. Extended Contracts. Extended contracts shall be issued at the Employer's discretion for a specified number of days beyond the regular contract. The rate of pay for employees on extended contracts will be \$21.00 per hour.

ARTICLE XVI

GRIEVANCE PROCEDURE

- A. Purpose. The purpose of this Article is to provide for a mutually acceptable method for the prompt and equitable settlement of employee grievances and disputes over alleged violations of this Agreement. There shall be an attempt to resolve informally or at the earliest possible stage all grievances.

Informal settlements in any stage shall bind the immediate parties to the settlement but shall not serve as a precedent in any other grievance proceeding.

- B. A "Grievant" is defined as an employee, group of employees or the Association. A "grievance" is a claim by a grievant that there has been a misinterpretation, violation or misapplication of any provision of this Agreement.
- C. All time limits herein shall consist of school days Monday through Friday, except that when a grievance is submitted on or after May 20, time limits shall consist of all week days Monday through Friday, so that matters may be resolved before the close of the school term or as soon as possible thereafter. The number of days indicated at each level should be considered a maximum and every effort should be made to expedite the process. There shall be no obligation by the Employer to consider any grievance not filed or appealed in a timely manner.
- D. An aggrieved person must be represented at all steps of the grievance procedure by himself/herself, and at his/her option, by a representative selected or approved by the Association. When the grievant is not represented by the Association, the Association shall have the right to be present at all levels as a party of interest and shall have the right to grieve any disposition of the grievant's grievance.
- E. 1. Every grievant covered by this Agreement shall have the right to present grievances in accordance with these procedures.
2. The failure of a grievant (or, in the event of an appeal to arbitration, the Association) to act on any grievance within the prescribed time limits will act as a bar to any further appeal and the Employer's representative's failure to give a decision within the time limits shall permit the grievant to proceed to the next step. The time limits, however, may be extended by mutual agreement.
3. It is agreed that any investigation or other handling or processing of any grievance by the grievant shall be conducted so as to result in no interference with or interruption whatsoever of the instructional program and related work activities of the grievant or of other employees.
4. The Association may request a consolidation of formal grievances at or beyond Level Two of this procedure.

- F.
1. Level One. A grievant with an alleged grievance shall, within seven (7) school days from the date of the alleged violation, discuss it with his/her Principal or immediate supervisor in an attempt to resolve the matter informally.
 2. Level Two. If, as a result of the informal discussion in Level One, the grievant feels a grievance still exists and the grievant desires to proceed to Level Two, the grievant shall in writing within five (5) working days from the date of the informal conference in Level One file a written grievance with the Principal or his/her immediate supervisor on the form attached hereto. The Principal or the grievant's immediate supervisor shall within five (5) working days following the receipt of the written grievance meet with the grievant to discuss the grievance. Within five (5) working days following this meeting, the Principal or the immediate supervisor shall communicate in writing to the grievant the disposition of the grievance with a copy going to the Association.
 3. Level Three. In the event the grievant is not satisfied with the decision at Level Two and the grievant desires to proceed to Level Three of the grievance procedure, the grievant must file within five (5) working days of the grievant's receipt of the written decision from Level Two a copy of the written grievance with the Superintendent. Within seven (7) working days after such written grievance is filed with the Superintendent, the grievant and the Superintendent shall meet to discuss the grievance. Within five (5) working days of the meeting the Superintendent shall indicate his/her disposition of the grievance in writing and furnish a copy thereof to the Association. The Superintendent may, at the Third Level, consolidate separate grievances which involve common questions of contract interpretation or fact.
 4. Level Four. If the grievant is not satisfied with the disposition of the grievance at Level 3, there shall be available a Level Four consisting of binding arbitration. If the Association, after consultation with the grievant decides to proceed to Level Four, the Association must submit in writing a request for arbitration to the Superintendent within ten (10) working days from the receipt of the Level Three answer of the Superintendent. At the same time that the Association makes the request for arbitration, the Association and the Employer shall request the Public Employment Relations Board to provide a list of seven (7) arbitrators. At a mutually agreeable time following the receipt of the list of the panel of seven (7) arbitrators, the parties shall meet to select a single arbitrator. At this meeting each of the two parties, the moving party striking first, will alternately strike one (1) name at a time from the list until only one (1) name remains. The remaining name shall be the arbitrator. The decision of the arbitrator shall be binding on the parties.

The arbitrator's decision shall be in writing and shall set forth his/her findings, reasonings, and conclusions on the issues submitted. The arbitrator's decision shall be made within thirty (30) days after the close of the arbitrator's hearings. The arbitrator shall have no power to alter, add to, or detract from the specific provisions of the Agreement. No decision of the arbitrator shall in any way be in derogation of the powers, duties and rights established in the Employer by constitutional provisions, statute, custom, or other legislative act. The costs of the service of the arbitrator will be borne equally by the Employer and the Association.

If the Association or any employee files any claim or complaint in any forum other than under the grievance procedure of this Agreement, then the Employer shall not

be required to process the same claim or set of facts through the grievance procedure.

- G. No reprisals of any kind shall be taken by the Employer or its representatives against a grievant or his representative for exercising the grievant's rights under the grievance procedure nor shall any grievant or representative engage in any reprisals of any kind against the Employer or its representatives for exercising their rights under the grievance procedure.
